General Pulling Rules for Tractor, Semi, and Pickup Pull

General Rules for All Classes

- No alcoholic consumption before pull.
- Pull at your own risk.
- Promoter and its agents are not responsible for any breakage.
- Judges Decisions are FINAL.
- All drivers must attend Drivers Meeting before Pull.
- Each pulling vehicle can ONLY pull in one weight class.
- Be prepared to pull when your class is called, not responsible for missed pulling opportunity.
- First puller of each class may be used as test puller to set "sled". Puller may either take or decline it, before being "unhooked". If declined, pull will be measured regardless of distance. The re-pull will be in last position.
- Tractor may be 200 lbs. over with Driver. (Scale will be onsite)
- No entry fee. \$20 per person admission fee.
- Trucks hauling tractors do NOT have to pay parking fee. **All other vehicles pay \$20 to park in the pits. \$10 parking in main lot.**
- No pre entry. Enter at announcer's stand on day of pull. Entry will be by lottery system.
- Must be 16 years of age to enter.
- Pit Gate opens at 4:00 pm
- Everyone pulls that comes.

Pick-up Pulling Rules

- Hitches no less than 36% of pick-up wheelbase, from point of hitch to center of rear axle.
- Hitch shall not exceed 26" in height.
- Open Headers are allowed in all classes.
- Maximum tire size 33 x 12.5x 16.5 for all classes.

Improved Stock Rules

Cage, helmet, seat belt, fire extinguisher, kill switch required

Improved Farm and Hot Farm Rules

(RPM) Improved Stock—9,500 lbs. Max 410 cubic inch block, 2.25 inch T04 turbo, no inline pumps

(RPM) Hot Farm—10,500 lbs. (466 cubic inch or smaller engine only, stock appearing pump, no P-Pumps
Single turbo with max size of 2.6"

Hot Farm—13,000 lbs. (3.0 inch max intake limit on turbo, P-Pumps and Cut tires allowed 13,000 only)

Hot Farm—16,500 lbs. (3.0 inch max intake limit on turbo, P-Pumps & Duals allowed 16,500 only)

Tractor Rules

- Stock block or factory replacement, must bolt to clutch housing without modification
- Only one fuel allowed, no pressurized LP booster, or nitrous oxide allowed
- Any tire size is allowed, duals allowed in 16,000 lb. class
- Tractor must have hitch for skid hook min 3 inch diameter, or suitable clevis
- Tractor hitch 18" from center of rear axle and 20" height

Farm Stock Rules

- Stock RPMS/ NO EXCEPTIONS

6500 & 9500 lb. Hobby Class Only Rules

- No cut tires. NO EXCEPTIONS!
- Torque amplifiers can be used.
- Tractor hitch 18” from center of rear axle and 20” height

Pro Farm/ Super Farm/Open Class

- Weight class 9,500 lbs.
- Class Rules: No speed or rpm limit.
- Diesel fuel only
- 3” max. intake turbo size
- 24.5 x 32 maximum tire size, No duals, No curved exhaust pipes
- Cut tires allowed
- Aluminum parts allowed

Require Safety equipment:

- Steel flywheel, Blanket, Side Shields
