Letter from the President

Dear Scott County Agricultural Society Member,

The Board of Directors, Norm Pint, the Fair manager and his staff are pleased to invite you to 2016 Scott County Fair. It's that time of the year again to start thinking about the Fair, we've been planning/prepping since last August to make a bigger and better Scott County Fair.

As we done before we've have added some new venues and have kept some of the old and improved. This year on Wednesday night at the Grandstand we have added a NTPA truck and tractor pull to the lineup. The Miracle of Birth Center will be back bigger and better for all to see. We took the opportunity last year to improve our carnival and had a great response to Gold Star Amusements and they will be back again this year. We will be in our second year of our very own restored carousel that joined Big Eli on the hill for all of our guest to enjoy. If you didn't get to see or ride either of those two last year, please stop this year and check them out. The entertainment committee has put a great line up of bands all five days of the Fair, and other entertainment throughout the Fair. We will be having a Blue Grass Festival again this on Sunday. Please see Top 10 Reasons to Attend the Fair again in this newsletter, as well as our new and improved web site for all the details of this year's Fair. Some much needed infrastructure repairs have been done to the lights and sound system of the Grandstand to make your show more enjoyable. Come check out the new 4-H food stand which should up and running by Fair time to make your visit a great one.

For those of you who can't get enough of the Fair like us on the Board, we have many needs as volunteers and even some paid positions. Please consider spending some of your time helping out at the Fair. See web site for more information on those options.

As always, thank you for your continued support of our Scott County Fair. Please renew your membership to the Scott County Agriculture Society. We hope to see you soon at the Fair July 27-31!

Pete Shutrop

Ways to Support the Agricultural Society:

- Like us on Facebook and Twitter
- Check out our new website
- Display a sign (call or stop by for one)
